

CONSUMER OUTREACH POWERED BY THE PROFESSIONAL PEST MANAGEMENT ALLIANCE

## How To Guide

# Purchasing National Community Day of Service T-Shirts

### Background

As our industry knows very well, the issue of pollinator health continues to be a hot topic in the media and the public. This year, we continue our commitment to pollinator health by establishing a nationwide day of service — the “Plant Your Own Pollinator Garden” — during which we invite all NPMA members to take part by volunteering to plant a pollinator garden in their communities.

### Custom T-Shirts

PPMA, NPMA's consumer outreach arm, has designed branded t-shirts available for members to customize with their company logos and order in advance of the Day of Service to create a feeling of community across different regions.

### How to order:

1. Click on [this link](#) to access the saved design. The ID is 10216308.
2. Click *Edit This Design* on the right hand side of the screen.
3. Select the back t-shirt image under *Design Locations* on the left hand side of the screen.
4. Click the *Uploads* thumbnail and then *Choose File* to add your company logo. You can reposition and resize the image using the tools on the left hand side of the screen.
5. Click *Add to Cart*.
6. Enter sizes and quantities.
7. Click *Add to Cart* and check out!

Pricing varies based on the quantity of shirts purchased. Shirts start around \$10.00 for quantities of 48 or more and rise in price to \$27.99 for a single shirt.

**If you have any questions, please contact NPMA at (703) 352-6762.**
